

## Roasted camembert with honey

### For 2 people

■ 1 Camembert, 1 tablespoon of liquid honey, 1 desertspoon of herbs of Provence, 1 desertspoon of bread-crumbs.

- Preheat your oven at 356°.
- Put the camembert in the lower part of the box, without paper. With a knife, cut like square the top of cheese.
- Dispose honey, herbs of Provence, and the breadcrumbs on Camembert.
- Put in the oven for 20 minutes.

■ *Taste quite hot, with potatoes or fingers of toasted bread, and a glass of cider.*
